# Presentation Flow

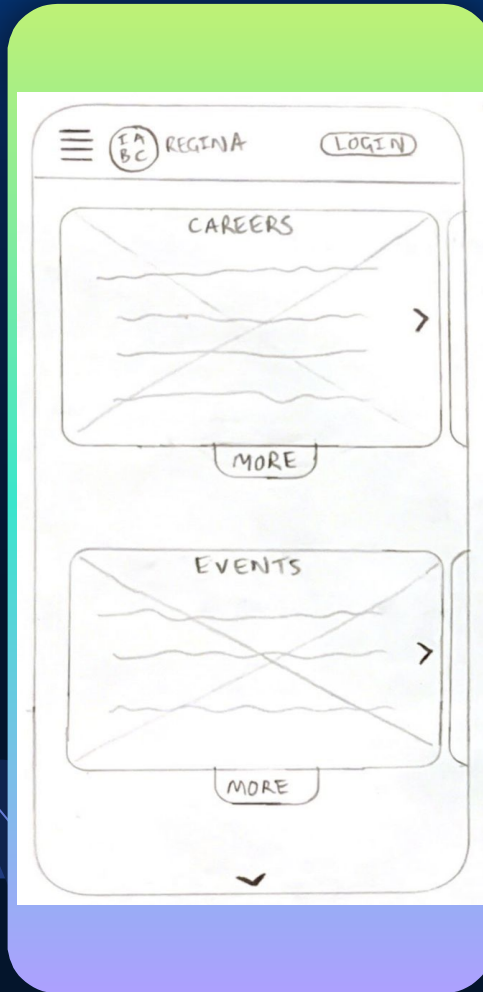

- We will run through slides showing two mobile designs and one desktop design per page type (Homepage, Careers, & Events)
- After each page type, we will ask you to provide feedback on the desktop design and pick the mobile design you prefer.

## Careers Page - Mobile

A hand-drawn mobile app mockup of a 'Careers' page. The page has a light green header bar with a hamburger menu icon and the word 'CAREERS'. Below the header, there are two job listing cards. The first card is titled 'SENIOR CONSULTANT' and contains a form with a 'COMPANY' label, a large 'X' mark, and three wavy lines for text input. Below the form is an 'APPLY' button. The second card is titled 'JOB TITLE' and contains a form with a 'COMPANY' label, a large 'Y' mark, and three wavy lines for text input. Below the form is an 'APPLY' button. At the bottom of the page, there is a small downward-pointing chevron icon. The entire mockup is set against a dark blue background with decorative wavy lines and circles at the bottom.

## Events Page - Mobile

A hand-drawn sketch of a mobile application interface for an 'EVENTS' page. The interface is contained within a rounded rectangle with a light green top bar and a light purple bottom bar. At the top, there is a header bar with a hamburger menu icon on the left and the word 'EVENTS' in the center. Below the header, the page is divided into two main sections. The first section is titled 'MEET & GREET' and contains the date 'NOV 26' and the time '16:00' on the left, followed by four horizontal wavy lines for notes on the right. Below this section is a button labeled '\$ ATTEND'. The second section is titled 'GUEST SPEAKER' and contains the date 'NOV 28' and the time '13:00' on the left, followed by four horizontal wavy lines for notes on the right. Below this section is a button labeled 'ATTEND'. At the very bottom of the page, there is a small downward-pointing chevron icon.
